THIS IS OUR MISSION

OUR PRODUCTS

Our products are carefully selected, natural and organic. They reflect our fundamental belief that Nature knows best! Our ethos is simple: the purer the quality of the oil, the stronger the therapeutic and healing effect.

NATURAL HEALING

We believe that there is a plant-based healing solution for every ailment. Our oils are carefully selected, ensuring that they are of the purest and highest quality and derived from sustainable sources.

ABOUT US

We take the utmost pride in what we do as a company. We strive to be a 100% organic company with top-notch quality products for the whole family. Healing is the first thing we think of when speaking to a client. Our focus is always "What can the products do for you?" instead of merely what the product is

CBD MENO+ DAWN

WHAT ARE FULL-SPECTRUM PHYTOCANNABINOIDS?

Full-spectrum phytocannabinoids are naturally occurring compounds extracted from the whole cannabis plant — not just isolated parts. This includes a rich profile of CBD (cannabidiol), CBG, CBC, THC (in trace legal amounts), terpenes, flavonoids, and other beneficial plant compounds.

Together, these compounds work in harmony to support the body's Endocannabinoid System (ECS) — a vital system responsible for maintaining balance in functions like mood, sleep, immune response, pain perception, and inflammation.

WONDER LIPS

Our Wonder Lips lip balm is made with super moisturizing ingredients combined with Full-Spectrum Phytocannabinoids to soothe cracked lips and prevent cold sores. Benefits include: Repairs damaged skin, antimicrobial, heals wounds, prevents infections, safe even on open wounds, repairs dry and cracked lips, and soothes and prevents cold sores.

R65,00

TOOTH POWDER

HOW FULL-SPECTRUM PHYTOCANNABINOIDS SUPPORT HAIR GROWTH & SCALP HEALTH

Full-spectrum phytocannabinoids, extracted from the whole cannabis plant, offer powerful benefits for hair and scalp health. By interacting with the scalp's endocannabinoid receptors, they help balance oil production, reduce inflammation, soothe irritation, and improve circulation — all essential for creating the ideal environment for hair growth. Rich in antioxidants and nutrients, they also strengthen the hair shaft, protect against damage, and support healthier, fuller-looking hair over time.

TEETHING BLEND

Schatzi Teething Blend is a unique, organic, natural blend – giving you peace of mind, and manages the discomfort of a baby's major milestone of teething. Helps to reduce inflammation. Anti-microbial, anti-bacterial, anti-oxidant, anti-parasitic properties may help with inflammatory bowel diseases and aid digestion. Prevents gingivitis and inhibits dental plaque build-up. Safe from 3 months old.

20ml - R150,00

STARRY NIGHTS
